

JOIN OUR TEAM!

RIGGER / DRIVER

This is a fantastic opportunity for applicants who have a genuine interest in building a career in outside broadcasting. You will primarily be responsible for the loading, driving and rigging of our outside broadcasting facilities to sporting venues and clients' facilities across the country

KEY RESPONSIBILITIES

- Load/Unload rigging trucks and other vehicles
- Design, create and implement rig plans and cable routes
- Build & test cameras, lighting, mics, and other broadcast equipment
- Checking gear for damage and reporting where necessary

EXPERIENCE & SKILLS

- You should be an experienced rigid driver (articulated licence desirable but not necessary)
- A self-starter and excellent work ethic
- A team player, flexible with the ability to remain focused while under pressure
- Ability to problem solve and fault find in a fast-paced environment
- Strong interpersonal skills with an appetite to deliver quality service
- Some technical knowledge of Video and Audio Systems would be advantageous

This is a full-time position requiring weekend work & overnights

Attractive package and excellent working conditions will be offered to the right candidate

Closing Date:

18th December 2024
